

Everything you need to know about Saturdays this Fall!

To make sure every gymnast receives the attention and support they need, we are offering a limited number of Saturday classes this fall. Reducing the number of Saturdays allows us to schedule the right number of coaches and provide the best possible experience for each child.

Similar to our summer program, you will be able to choose the dates that work best for your schedule. Your child does not need to attend all six Saturdays. You can choose as little or as many classes as you want. These classes are open to any fall students enrolled Monday through Friday who would like an extra day of gymnastics and they are also open to children who only want to attend on Saturdays. If you have any questions about weekday enrollment or Saturday enrollment please contact us via email info@spotlightgym.com.

Saturday class times:

9:30 AM to 11:30 AM

Ages 5 to 9

12:30 PM to 2:30 PM

Ages 7 to 16

Saturday classes will be offered on the following dates:

September 19

September 26

October 3

October 24

November 7

November 21

Enrollment for fall Saturday classes will open on Wednesday, July 29 at 10:00 AM

The price per class is \$71 along with the mandatory once per school year \$20 registration fee. If you are enrolled in a Monday through Friday class for fall, the registration fee will only be charged once.
